For those pursuing an internationally recognized accreditation, this highly successful Coach Accreditation Program leads to the International Association of Coaching (IAC®) Masteries™ Practitioner designation

## WHO IS THIS PROGRAM FOR?

Those who:

- Want to pursue Coaching as a second career
- Want to become an internal Coach within their organization as part of their career progression
- Are already coaching but require an Internationally Recognized Accreditation
- Are already a certified Coach and looking to further develop their Coaching mastery and practice
- Are Leaders looking for a breakthrough in coaching for Development or Performance.

## WHAT WILL YOU LEARN?

The IAC® Coaching Masteries™ are the focal point of this Coach Accreditation Program.

On completion of the program, you will be able to confidently apply the 5-to-GROW™ powerful coaching conversation skills and outcomes-based coaching model in both life and work-related situations.

This program will also prepare you for the IAC® Part 1 Online Exam and the IAC® Learning Agreement, leading to IAC® Masteries Practitioner designation.

## HOW WILL YOU LEARN?

At the Academy for Mastery, we believe in building experience, through experience by leveraging our 70-20- 10 Development Value Chain™.

You will have ample opportunity to practice coaching conversation skills and model through role-plays, case studies and coaching triads. In addition, you will receive extensive feedback from our Certified Coaches.

Feel confident about handling life or work-related coaching situations – be it in your own Coaching practice, as an internal Coach or in your role as a Leader.

## WHY CHOOSE AN IAC® PROGRAMME?

The International Association of Coaching (IAC®) is an independent, global coach certification body. The Masteries used were developed by an international team of coaches, to produce professional standards and measures for what constitutes as the highest level of coaching, and that can be understood in any culture around the world.

The purpose of this certification is to provide our coaches with a rigorous programme and methodology so that they have the ability to demonstrate the knowledge and skill to professional coaching standards.

## WHO is Academy for Mastery?

The Academy for Mastery empowers and enables individuals in their drive for mastery through proven roadmaps and a community of practitioners.

It is the only IAC® Coaching Masteries™ Licensed School in Singapore and China. We also offer our Coach Accreditation Program in India through our licensed school in Singapore. Our IAC® credentialed coaches are practitioners and share a strong commitment to professional standards and have delivered programs in English and Putonghua.

## About our IAC Licensed School

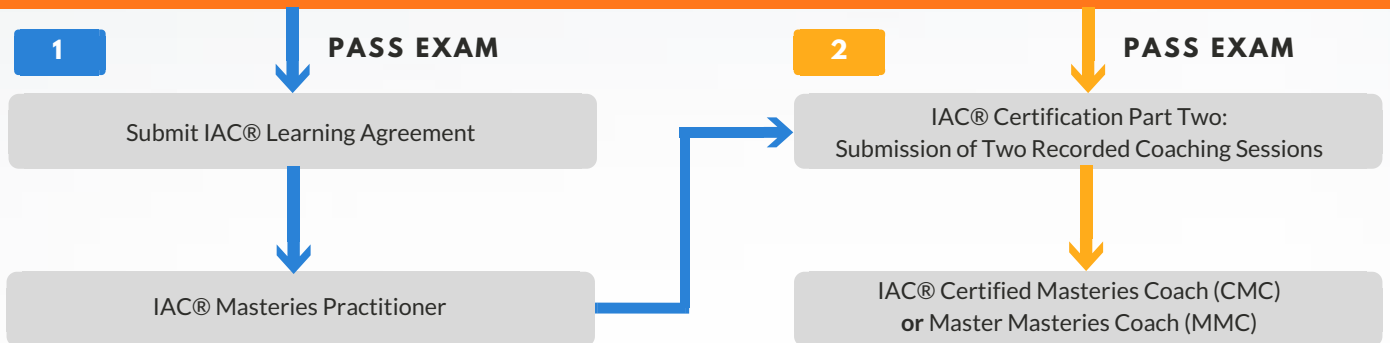

Since its opening in 2010, over 99% of our participants have successfully completed the IAC® Part 1 Certification.

Our coaches go on to obtain the IAC® Masteries Practitioner designation and Part 2 Certification as IAC® Certified Masteries Coaches (CMC) or IAC® Master Masteries Coaches (MMC).
